6th Sunday of Easter

Collect for 6th Sunday of Easter

God our redeemer,
you have delivered us from the power of darkness and brought us into the kingdom of your Son: grant, that as by his death he has recalled us to life, so by his continual presence in us he may raise us to eternal joy;
through Jesus Christ your Son our Lord.
Amen

Thy Kingdom Come - 9th - 13th May (TKC) is a global ecumenical prayer movement that invites Christians around the world to pray from Ascension to Pentecost for more people to come to know Jesus.

Since it began in May 2016, God has grown TKC from a dream of possibility into a movement which unites more than a million Christians in prayer, in nearly 90% of countries worldwide, across 85 different denominations and traditions - so that friends and family, neighbours and colleagues might come to faith in Jesus Christ.

Every person, household and church are encouraged to pray during the 11 days in their own way.

It is our hope and prayer, that those who have not yet heard the Good News of Jesus Christ and His love for the world, will hear it for themselves and respond and follow Him.

Specifically, we again invite each and every Christian across the globe to pray that God's Spirit might work in the lives of 5 people who have not responded with their 'Yes' to God's call.

"In praying 'Thy Kingdom Come' we all commit to playing our part in the renewal of the nations and the transformation of communities."

Archbishop Justin Welby

**Christian Aid Week
2024
12 - 18 May**

Burundi is one of the poorest countries in the world financially. More than 70% of the population live in poverty. Most people get their living through farming. Farmers have been significantly affected by the climate crisis, facing droughts, floods and landslides. Many families eat just one meal a day.

Philip Galgalo, Country Director of Christian Aid Burundi tells us: 'I think the biggest worry for most Burundian mothers is how they'll feed their children.'

With your support, more families can build reliable and diverse incomes that bring them food security, better health, safer homes, increased resilience and hope.
